

Travell HSA Volunteer Opportunities

The Travell HSA depends on parents to encourage volunteering their time, talents, ideas, experience, and energy. Many parents are uncertain how to get involved due to working full-time, little ones at home, etc. Most of the opportunities have flexibility—please contact us with any questions.

After months and months of being separate, we are excited to find ways to bring our community back together. Taking part in a school activity is a great way to reconnect and make an impact in the experience our kids have at Travell.

Everyone is welcome!!

Visit the Travell HSA website to sign up:
