

Free-Raisers

What is A+ Rewards?

The Stop&Shop A+ Rewards program are points earned just by making purchases at Stop&Shop using your loyalty card. The program runs **October to March** and at the end of the program, those points are calculated into a cash total for Travell—all from doing your regular grocery shopping! The HSA earned \$1772.00 for the 2015–2016 school year.

How do I sign up?

It's easy! A registration flyer will be sent home in backpacks with the first month of SCRIP in September. You can also send your Stop&Shop loyalty card number to your chairperson who can sign up for you, or sign up at www.stopandshop.com/aplus when registration opens in mid-September.

Will I still get my gas points?

Yes! Gas points and A+ Rewards points can be earned on the same card.

Can friends and family enroll?

Yes! We happily encourage your friends and family to enroll and have Travell designated to earn their points.
